

WOOFERS

HIGHLIGHTS

- ✓ non pressed cellulose cone
- ✓ V-Styrofoam surround
- ✓ DVC 1.5+1.5 ohm
- ✓ voice coil 3"
- ✓ aluminum voice coil former
- ✓ 4-layer aluminum coil
- ✓ dual Nomex spider
- ✓ 9" diameter double magnet
- ✓ heavy duty die-cast aluminum frame
- ✓ reconing kit available

Another new sub series welcomed to SPL competitors worldwide, just a step below the renewed DWC series.

Modern technologies, the strong looking impact is just a shell for the incredible stuff inside. The voice coil impedance by dual 1.5+1.5 ohm. The result is a power by 1000/2000W and a short burp at 4000W (3 second only, please!).

EXTREME

DWVP

series

DWP 226
300mm or 12", 1.5+1.5 ohm
1000W RMS, 2000W peak,
4000W short burp 3"

DWP 256
380mm or 15", 1.5+1.5 ohm
1000W RMS, 2000W peak,
4000W short burp 3"
